

Dining at Churston Ferrers Grammar School

The first decision is where to eat and we now have new service areas to help reduce queuing and enable us to provide a better choice of food.

If you decide to eat in the **Greenhouse Café**, you can enjoy a range of sandwiches, baguettes, wraps in rolls, salads, jacket potatoes or pasta. If you prefer a light snack, on offer are soup and roll, fresh pasta with a choice of sauce, filled panini and our lunchtime specials.

Our **Dining Hall** offers an extensive range of hot and cold food – all prepared daily and with fresh produce. Please see menu.

Butters, the sixth form snack bar, serves hot and cold food with an ordering service available.

Service Areas

There are six service points during breaktimes and four at lunchtimes as the students are on a rotational system for lunch.

What is our aim and where are we planning to go?

Our aim is to provide an extensive choice of good food contributing to the balance of a healthy lifestyle.

Sourcing Locally

We do endeavour to use as much fresh local produce as possible and with the help of our suppliers we are able to pass this on to the staff and students on a daily basis.
